a000clown wrote on Sun, 11 September 2011 18:32BF3. I'm a sucker for destructible environments and the vehicles appeal to me. The graphics look amazing too, but that's more of a bonus rather than a deciding factor.

Most importantly, I'm more interested in the single-player aspect of games and the COD series seems to lack any depth to their story.

Sorry man, but I disagree with you here. That's one thing that I think the MW series holds onto is their storyline. I think it's amazing.
