TankClash wrote on Tue, 13 September 2011 10:43So what happened...?

Or is this just another name calling rant spree with more idle threats...

However, I do believe I took this comment to be antagonizing, when really it may not have been it's intention, just sounded that way...which is why I initially responded to it the way I did.

So, if this be the case, that you did not intend to antagonize, I do apologize.
