see the MDK@ENGLAND topics, it's him

Any proof of that?

Simon has no PC knowlage what so ever, he just about knows how to turn it on. I'd look to one of your friends (wilo) He's been known to ddos servers in the past.  
Wilo would totally DDoS his own servers in the same attack as ours.

I don't know the full details and didn't realise st0rm was going down as well. What I meant to say was it's far more likely that Wilo would DDoS servers than Simon would, because basically. He doesn't have a fucking clue how to...
