much better is ren without any textures(exception crosshair modification)

about fps, is ok, just disable VSync if you have a lot of fps drops.
Fixed

You could indeed try turning off VSync, though I'm not sure it changes anything.
TBH it seems I'm the only one not having difficulties with 4.0 so far 0o

EDIT: that statement is probably false but w/e; people without issues don't need to post about issues xD
