nikki6ixx wrote on Fri, 28 October 2011 19:07 Step 1: Create account on gmail.google.com

Step 2: Tell your contacts of your new email address by emailing them through your new Gmail account.

Step 3: Be happy knowing you've finally entered 2009.

Then cry when google gets hacked and someone pulls all those phonenumber they attach to your account and start sending you junkmail via phone
