\*Mods: I hope this thread is ok. I am trying to keep my collection within the community. I have loved C&C for the past 15+ years, but its time for me to move on....sadly!\*

First, let me introduce myself. I am SSWarBird. I happen to me one of the few OG's from C&C. Some may know me, most probably wont. I Have been around since the beginning. Im saddened to say that I have grown up enough to have to sell off my collection of C&C items. I have spent the last 5-6 years collecting C&C items and have quite a vast assortment. I am probably the biggest private collector in the USA.

Please visit my site for info and items.
