There has never been a more tree-infested FPS-sucking map in Renexistence than this latest creation by the infamous Aircraftfucker.

that map is shit , at least i was #3 by camping obelisk all time

nice description of what happen on every map

He was being facetious. I'm sure you can't pick up on that though. By the way, who are you to talk about what's shit and what isn't? Didn't you make this abomination?
