I did see a "atomix" server up yesterday or so when i browsed through the servers in GSA, but it was empty and surely not the same Atomix server i had marked as favourite long time ago that always used to have alot of peeps in it =|

No it's not the same one. Unless you wanna play in a wannabe version of it.

Cheers and +respect to the host of this server whoever you are, had alot of fun there, dont play much Renegade anymore but would like to find you and give you my personal thanks for making the time i had there possible. Im prolly just very high writing this but I really miss the server^^

Cheers. If you miss that style of play, go play in St0rm AOW - <http://www.st0rm.net>

It's the closest thing to it.
