R315r4z0r wrote on Fri, 16 December 2011 15:00 What does the 'C' in C&C stand for? According to Google, the most common meaning for C&C is indeed Command & Conquer, followed by some clothing store, and then boats. Bing also agrees, being Command & Conquer is the most popular result that means most people will think Command and Conquer when they think C&C, thus, if anything Command and Conquer is the correct answer.
