<http://www.blackintel.org/renegade/projects/biatch/weaponinfo>

There is NOTHING that does 28 damage, or at least not in the way it's reported by BIATCH. And the damage handling isn't changed in TT. Well, not for either <4.0 client or <4.0 server. That makes his damage amount very suspicious, as this amount of damage is not possible without a modified always.something.
