What's left to say? You've got idiots left and right, saying things about Counter-Strike... HELLO MORON, GUESS WHAT - COUNTER-STRIKE HAS A HUGE COMMUNITY OF PEOPLE WHO MODIFY THE GAME. MOST OF THOSE PEOPLE ACTUALLY DO SOMETHING WITH THE GAME INSTEAD OF PAT THEMSELVES ON THE ASSES OVER AND OVER FOR EACH MODEL THEY'VE DONE, MUCH LIKE A GAY LOVER.

WHY OH WHY DO YOU NOT READ?

Ooo the bitch bites back... renegade could probably have a HUGE COMMUNITY OF PEOPLE WHO MODIFY THE GAME. if you wernt putting them down all the time just give em a chance and maybe even help em out a bit rather than slag them off.

You truly are an idiot - don't you see? Well no, you don't, but still.. How can you even imply that it's my fault that people quit? If people like you would stop being pussy-ass bitches and actually work, you'd get something done. Remember dumbass, I get insulted just as much as everyone else does, but do I quit? No!
