I think we can all say you all have had a bit of wilo milk in you throats hows it taste. do you not recall my pm to you on st0rm? are you seriously that brain-damaged that you can't understand this simple concept?

- a) from what we saw of you in Jelly, you were hostile, vulgar, and uncooperative
- b) we received word from Wilo that you were e-stalking his 13-year old sister on facebook
- c) we were shown proof by shaitan that you're still currently debating of you cheating in other servers
- d) taking all of the above into consideration (mostly your attitude, because you're kind of like the alcoholic neighbor that has the cops getting called on him on a weekly basis) we banned you

the only thing the cheating proof did was speed up the process in which you were removed, because at that point i think you had already been automuted

stop saying we only banned you because Wilo made us do it

stop saying we only banned you because of Wilo

we didn't ban you because of Wilo

we're not sheep and "yes men"; we banned you for legitimate reasons

stop repeating the same thing over and over, or i'm going to assume you are so brain-damaged that you're not worth talking or replying to  
pretty sure everyone else has already come to that conclusion anyways

if you weren't so fucking retarded people wouldn't have to go so far off-topic just to address you
