nothing more annoying than telling some idiot to stop team hampering only to have him say "shut up noob, look at my awesome rank/ladder/recs/fame/etc that I got from these acts of team hampering." or something along those lines.

I know exactly what you mean. Here's an example of that where some guy that was obviously spoofing your nickname (since I see how strongly despise these kinds of players) does just that:
Quote:

[22:53:13] [Team] falcod666: PUT THAT MAMMY BACK IN BASE

[22:53:46] [Team] -DM-reckneya: falco, is it that big a deal?

[22:53:47] [Private] falcod666: put that back in base on the airstrip

[22:53:51] [Team] falcod666: yes. it is

[22:53:52] Host: Veteran: falcod666 ordered a new vehicle!

[22:54:04] [Team] -DM-reckneya: falco, it counts for our limit

[22:54:04] Host: Veteran: Fr4gg0r ordered a new vehicle!

[22:54:10] [Team] falcod666: THE MOMENT WE GET 16 gdi vehs, GDI CAN"T GET ORCAS

[22:54:19] [Team] falcod666: and no it counts to THEIR limit

[22:54:22] [Team] -DM-reckneya: it's not a gdi vehicle

[22:54:24] [Team] [DTA]thomasemperor: dude he isnt losing it

[22:54:25] [Team] falcod666: dont question me i played this game way longer than you

[22:54:32] [Team] falcod666: he already ALMOST lost it just now

[22:54:32] [Team] psychoyo: mamy is gdi veh

[22:54:34] [Team] -DM-Reaver11: Oh noes!

[22:54:37] [Team] -DM-reckneya: it was ordered by chinook

[22:54:37] [Team] falcod666: i had to kill myself to save him

[22:54:45] [Team] falcod666: Yes. dont question me i told u i know

[22:54:50] [Team] falcod666: it counts as their limit

[22:54:55] [Team] Source: it was a crate give doesnt count on GDi count

[22:54:56] [Team] falcod666: regardless of how it was gotten

[22:55:01] [Team] Cutzenklo: so why we are saving all the vehs if its counting as our limit

[22:55:11] [Team] falcod666: ALL EMPTY GDI VEHS COUNT TO THEIR LIMIT. IT DOESNT MATTER HOW U GET THEM

[22:55:11] [Team] -DM-Reaver11: and they still buy veh...

[22:55:18] [Team] bigost0rm: it counts against thier limit

[22:55:19] [Team] Cutzenklo: truwe

[22:55:19] [Team] -DM-reckneya: falco, this was a general vehicle, so it counts as our limit

[22:55:22] [Team] falcod666: they can use !veh, but they can't buy orcas

[22:55:22] Host: Veteran: wuzaaaaap ordered a new vehicle!

[22:55:31] [Team] Source: ok so do we have a plan or are we gonna complain about veh counts?

[22:55:31] Host: Veteran: psychoyo ordered a new vehicle!

[22:55:31] [Team] -DM-reckneya: either kill it or use it

[22:55:32] [Team] falcod666: Reckneya, i've told u before... IT COUNTS AS THEIR LIMIT

[22:55:36] [Team] falcod666: FFS

architect then hides himself in an iron fortress so he can't be caught and punished in any way.

Should all the tenants in the houses built by the architect be forced to evict so the architect's buildings can be torn down to be fair? Or even if not torn down, must all tenants leave their buildings or be associated with evil? Would doing so really hurt the architect in any way? >_> <_<

EDIT: For the last time NO I'M NOT SAYING LET WILO GO FREE. I'M NOT SUPPORTING REN TERRORISM. I'm just saying this method of dealing with it isn't achieving squat, other than hoping that wilo will somehow lose his incentive to crash other servers if the storm server is dead (which seems like a pretty far-fetched hope to me).

Quote:why didn't you do what the rest of the people in st0rm (that mattered) do that's probably why: I don't matter. I don't hold any position of power. I could follow suit and tell him what everyone already told him or leave the server, but to him it'll be identical to just some random hopping on the bandwagon. It doesn't make any difference lol.
