did you even try? no? the reason st0rm is gone from Renegade then is because you failed to act if you tried and failed it would be a different story; you're asking the people with morals and values to change for someone without morals and values

...why? because some players only want to play on st0rm servers? i'm sure some players will quit Renegade altogether due to this, but in my eyes that's a better trade-off than other servers taking shit from him (especially to the extent that my own did) and Renegade as a whole getting destroyed because he wants it all for himself

falcod wrote on Thu, 01 March 2012 16:23 2) Just because we play there doesn't mean we support him. I don't know why I have to keep repeating this, but playing there doesn't give him more power to crash servers, it doesn't make us slaves to his will, or anything along those lines. i don't know how to tell you this, but you're not getting it
if Wilo is left in power and still has a vested interest in this game all other servers will be taking shit from him, and after seeing what he was willing to do to my own for over two months straight i can honestly say i don't want to see that happen to anyone, ever
Renegade's well-being overall is far more important to me than the players Renegade will lose because st0rm is unwilling to part with Wilo
and i don't feel bad about that; they have their priorities, and they chose him over you and all of st0rm's Renegade players falcod

none of the seniors wanted him to leave, and so he closed down all of their Renegade-related activities and geared st0rm in other directions

how does that make you feel?

kikiller wrote on Thu, 01 March 2012 16:32 In my opinion, This thread probably just needs to be closed or make a i hate st0rm thread. All everyone seems to be doing now is just Either

1. Trolling
 2. Not moving on to other subjects in either their own community or the renegade community.
 3. Nagging about an issue that has been dealt with at the appropriate levels and taken care of.
- Honestly, anyone else from st0rm needs to stop posting here. All you are doing is just feeding trolls, And feeding their argument that everyone in st0rm is mindless/Fucking retarded. Stop making everything worse than what it was. If people wanna bitch let them. I'm not gonna loose sleep.

I haven't been around at st0rm for 2 years, if people wanna call us mindless drones for being there, Let them. Just don't prove their argument by making dumbass posts.

are you even reading the thread? because this post doesn't describe what's actually happening at

all

shaitan wrote on Fri, 02 March 2012 00:23 You can take Xpert's word as whatever you want, but he was just as bad.

you should apologize for how wrong this statement actually is; if you're not intentionally lying then there's something seriously wrong with you lol

as for the people that said Wilo needs to get out more - maybe if he's escorted by police or something

wouldn't want him to hit any more pregnant girls in the stomach until they have miscarriages it sounds so fucking ridiculous to hear that but it's even more fucking ridiculous that it's true
