TEAM MDK wrote on Fri, 02 March 2012 19:54fact is he really makes a good point and you guys have no option but to gang up with silly little remarks about him to try and make your self's look big or beat him in ti shutting up with a show of force.

power in numbers hey guys

So behind all the big words and far fetched analogies in his post, there's some kind of logical argument?

LOL
