ive been a morron i missed the setting i thought it got deleted thanks for help makes life easy again

ill just bump this post with this small problem instead of making new post again

for some reason is stil dont see the mods in objects.gm

i just modded 2 powerups : uplink and headband to give obigun and agtgun

(just give weapons instead of none)

and it worked in 3.4.4 but now it doesnt can someone help?
