edit: tildeth was shit with vehicles lol, he didn't notice that atomix had reduced arty splash even though he at that point had being playing for quite a while at that server and he was terrible with meds

Get ur Brain together u Noob.

1. U forced me to use 4.0 cuz u \*think\* i cheat. Pretty decent move for a Moderator.
2. I joined IRC to know what the fuck is wrong with ur Brain,u banned me without even answering my PM.
3. I rejoined IRC cuz i was asked to have a talk with 1 of ur Admins due to the shit u caused,so nice lie there.
4. Doesnt matters anyways,cuz ur Server Owner and Boss unbanned me,prolly due to the fact he already took the time to correct the shit u are doing.

So my advice for u in Future, take a look into other Servers Moderator advice before u try to act like a pro and make urself look like a Fool.

Have a nice Day, Punk.
