The likes of you that have never even played with him have can't really comment on the way he moderates you only have a third hand account, so butt out. He's a fine moderator and I've never seen him go over the top at all. Everyone that's "broken the rules" got what they deserved fully. You speak like Kenny Dalglish over Luis Suarez..

I agree completely with his decision regarding Suarez. As do most Liverpool fans.

Liquid, go pump yourself full of steroids seeing as that's the only way you can make yourself feel good.

Azazel, why do you still post here? Why would anyone want anything to do with you, or read what you have to say?

It's like Hitler trying to strike up conversation at a Bar Mitzvah.

edit; Apologies for going offtopic. I remember this mod, and I can see where people are coming from.
