They will be put two pvt then they have to work there way up to.

Just like people in MW2, to get what the other players have they work and work at it until they are the best, Its a never ending cycle. ;p

I was pissed when I first started to play MW2 and everyone I was playing had better guns then me, until I made it to the top with them and still was kicking there ass. ;p

Not to sound mean, but you were just bad at the game. Famas and UMP were the best guns in the game and they were unlocked right of the bat, (ACR gets unlocked later) and even if you were one of those quickscope fags you had the Intervention and 50 cal off the bat as well. wow way to go off topic and try to say I was bad at the game.

I sucked the first two levels then I owned everyone, and everyone sucks at one point and time, and beside I reset my rank 10 times, by that time I sold my 360 and all my games to come back to the pc.

It's not really hard to be good at MW2 all you do is point and shoot there is not tatics to it, run like a n00b then you shoot like a n00b and you get a kill.

NO BRAIN POWER AT ALL.

Now get back on topic, even though it's dead.
