jason761 wrote on Wed, 06 June 2012 04:58if its a tie gdi win, we had it on cw.cc before between soq and h2o
no score on either side = gdi wins
otherwise it goes to higher score and there is such a thing as a fraction of a point. you dont know soq and h2o were actually exactly tied, it might have been like GDI 3956.3 to Nod 3956.2
