ACK clearly you are the mad one here, you don't get the reaction you want from people in the other topic. So you come in and try to de-rail my topic. To be honest man, it just proves how sad you really are man. You have nothing else better to do but make false claims. Just to clear a few up for you man, Reborn isn't dead at all, BHP is fine, I'm still a dick , and I don't work at Gamestop. Seems with the last name Holmes, your detective work would be a little more sound. Eh Sherlock

Also I joined this Forum in 2007, just don't come here.
