Wallywood wrote on Fri, 08 June 2012 22:41 Actually I really liked the movie, I wasn't disappointed at all. I was a little disappointed that Edward Norton didn't play Hulk but that's a different story all together.

Quote: I said earlier that the decadence of our language is probably curable. Those who deny this would argue, if they produced an argument at all, that language merely reflects existing social conditions, and that we cannot influence its development by any direct tinkering with words or constructions.
