Xpert wrote on Sat, 09 June 2012 14:59:1. Learn to read and understand the code  
2. The commands are not shown in public chat due to the way the ChatHook function works. If return false; then it will not show in chat. If return true; then it will show in public chat.

Then they must of changed it...

It was working like that in beta 4.

and I have been learning to read the code ;p

You saying that is pretty much saying zunnie needs to learn to read it to and darknes2 as well, they both helped me to get all of it to work in beta expect the sounds and info.
