Put this in a chat hook and it will send the enemy's team chat to any players that
Commands->Set_Is_Visible has been used on.

```
if (Type == TEXT_MESSAGE_TEAM) {
    int Team = Get_Player_Team(ID);
    cScTextObj *ChatEvent = 0;
    for (SLNode<SoldierGameObj> *z = GameObjManager::StarGameObjList.Head();z =
z->Next()) {
        SoldierGameObj *Soldier = z->Data();
        if (!Soldier->Is_Visible() && Soldier->Get_Player_Type() != Team) {
            if (!ChatEvent) {
                ChatEvent = Send_Client_Text(Msg,TEXT_MESSAGE_TEAM,false,ID,-1,false,false);
            }
            ChatEvent->Set_Object_Dirty_Bits(Get_Player_ID(Soldier),NetworkObjectClass::BIT_CREATI
ON);
        }
    }
}
```
