Iris2003You could start with the failed release of RenAlert ?

Alot of your team members were on that team, as well as yourself.

I wont go on about the certifications, ive had a good laugh. ALOT of people have MCSE

Not very nice thing to say comming from the Offical Renegade Administrator, is EA aware you speak to users in this manner?

k thx bye

Iris

RenAlert isn't "failed".

Don't know where the heck you brought up MCSE from...
