FUCK YEAH), and last but not least is leaving you by the wayside.

tell me this shaitard - what do i stand to gain by meeting you in ft. lauderdale?

Port Charlotte is a decent spot, Tice is closer to half way. The upside is that both have a CVS right there. You know, in case you need to refill your medication or something.

A. What are YOUR major accomplishments here shaitan?

B. I'm pretty sure liquid is fucking ripped and would beat me to a pulp, and I assume that includes you too shaitan (unless you're secretly a cage fighter)
