I'm barely on MSN now a days, Danny.

Maybe try the Jelly IRC to get a hold of me, or even a PM on here if you're looking for a game or two.

I'm busy the next month or so therefore I won't be about, but I'm pretty sure I'll be using the RenCorner server at some point.

Never know, we might even be able to regenerate the Lobby Wars that Spooky, Whiskey and I were setting up a while back, I'll bang them both a PM and see if they're interested.
