iTaLia wrote on Wed, 11 July 2012 06:47well all knowing and godly Azazel, you would know that Crush was going to resign as commwar leader anyway before this match and even said he was going to play for our community instead.

I'm aware of this, sir. But in light of what happened in the commwar, it was still very mature for him to resign at that moment in time - it shows that he feels bad over what happened and he took the necessary action unfortunately.
