at least he's never tried splitting up a community before

I'd take a retard for a moderator over you any day of the week. At least I wouldn't have to worry about them cheating it up. Noone would have to worry about repeats of Black-Cell. I'm sure they loved you over there Mr. PermaBannedTroll.

HAHAHAHA and he says it's not easy to make him angry, yet everytime anybody posts against him he's like "ANCIENT RENEHISTORY GO!"

Also, it's quite fitting that the above guy is leaning on a Fox-body Mustang. The only people that drive those are faggots.
