Distrbd21 wrote on Fri, 27 July 2012 04:09It's because you have a custom char, if you use default chars and not the ones that wasn't used in a pt, it will work fine.

But if it's a custom char like that it will not and never has render the railgun all the way.

afaik and seen.

I've seen in when I buy from pt also, or even when you do !weap Railgun
