I LAWF MAWDS IN THE RENEHGAYED Also servers with drop "modes" a SBH with a sniper and 2 timed C4 and remote C4 is so entirely fair... and the SBH stealth suit is also entirely fair too when you get it as a hotwire... stealth mammoth tanks and flying MRLS are so fair... why not stealth nuclear bombs and ion cannon beacons too with no sound totally how C&C dawn worked if you liked playing fucked shit with asses and unicorns raping you with their horns...

ALSO GUYs REPLYIN TOP OOST WHAR THAR LIKE I AM LIKE BOMINB BACE WITH MISSILES CAUZ IT ARE FUN CAUE MY CHAPPAH CAN SHOT GUNS AT BASE FROM MAI BASE ON WAWLZ
