Yeah Liquid is right at one point some of the servers I was mod/admin on my playing time decreased due to just timings of a few tragedies in my life. Like my wife getting cancer and my best friend from childhood passing away 2 hours after he woke up and dressed for work about 5 years ago. My apologies if I left a few posts but that kind of shit kind of alters ones immediate life.

Yeah if I wanted to be mod as bad as DJK does, then why would I stop playing? One would think I would be in the server all the time to use my POWER like DJK does lol.

Those that know me, know me. Those that don't, read the words below my signature.
