Major-Payne wrote on Sun, 26 August 2012 09:01also, netherlands one of the SMALLEST countries in the world

I think someone has forgot about countries like Sealand...

Very small naval floating island, which has its own flag, currency, passport, international football (football, not handegg) team, and kingdomship. You can pay them ~£35 and you will become a fully fledged Lord of Sealand, with title. Approximately 4 (four) people live in the country.
