I think someone has forgot about countries like Sealand...

Very small naval floating island, which has its own flag, currency, passport, international football (football, not handegg) team, and kingdomship. You can pay them ~£35 and you will become a fully fledged Lord of Sealand, with title. Approximately 4 (four) people live in the country.

http://en.wikipedia.org/wiki/Principality_of_Sealand

Wow I thought Canada was pathetic.
