It all makes sense now, reptilian humanoids are the force behind a worldwide conspiracy directed at manipulation and control of humanity. did you know that most of the world's leaders, from William Jefferson Clinton, Hillary Rodham Clinton, Barack Obama and George W. Bush to members of the British royal family, are in fact related to the 7-foot (2.1 m) tall, blood-drinking reptilians from the star system Alpha Draconis?

the late Diana, Princess of Wales, claimed that the Royal Family were reptilian aliens, and that they could shapeshift. David Icke and others have claimed that U.S. President George W. Bush and his family are part of this same bloodline.

United States foreign policy after September 11 is the product of a reptilian conspiracy to enslave humanity, with George W. Bush as a servant of the reptilians. the reptilians came to Earth from the constellation Draco.

TRUST NOBODY!!
