If I ever need help landing/playing 50 Rene-men, I'll come to you for advise.

Clearly your incessant and unwarranted attacks on Charlie are stemming from some kind of jealousy. As for your opinion of and statements regarding me, you're simply wasting your breath, Sir. I simply replied in order to suggest you stop spreading your tales of the grapevine. It really may be a good idea to consider your source, might save you some embarrassment down the line one day.

Have a good day!
