dead4ayear2I have it! I'll upload it in a sec. I extracted it from C&C dawn.

Ahhhh my dear dead4ayear has returned! :inlove:

but i'm sorry as.....

Quote:It's not the commando version i'm after it's Havoc's one I noticed that the ONLY time i hear havoc use this line is during a SP movie where he snipes a nod soldier from a transport chopper

so back to the drawing board
