TEAM MDK wrote on Thu, 11 October 2012 08:16 another great showing of a great admin .

I report a player teamhampering and I become the target ..

good job shiton

no doubt he will delete the thread to hide how totaly useless he is as a admin ...

wonder if he will ban me for posting this...oh I do hope not

well seems the mods do take action against rule breakers..well only if its me breaking the rules that is...

just got banned for b2b with a gunner ..epic
