there are far worse people out there

i for one think Renegade would be better off without you than him lol

Agreed

join the cause azazel .. you seem to be going around agreeing with almost anyone and kissing up to shiton even more ...maybe in the hope everyone will forget your a cheating mod who got cought banned then made admin in the same clan-server you was cought in . wilst at the same time hoping to maybe become mod over at rencorner

this is the part where you say this is all untrue and we are supposed to trust your word ...cheaters are never trusted
