I dont even own CS i was looking for a friend he didnt like the one he had. Dont Call me a damn n00b it was probably a virus anyway. So some of you should fuck off I am no damn n00b and I have had this game since the first release in michigan. I have played since the beta. I am good enough and some of you should know that becuase i know you and we have played against each other before so get off my back. GOD!!!!
