And then maybe you can move on from any delusions of you making a good Renegade moderator!

EDIT: Wait, where does it say MDK is banned lol?

Such words aren't needed, just know that he's been re-banned, (as he was originally banned on the mdk@england@ nick and has been evading). I'm sure he'll pop up under a different nickname at some point or other.

Even if it was 2 Months, what counts in the End is that hes gone for now. And just because I can't handle failure I put you on "ignore" even though I'm still going to read your posts because I know I can't win. If u ever need assistance in how to moderate proper don't talk to me, because I've been removed as a moderator from more than one server while you've never been demoted from anywhere.
