I have to say this is the wierdest topic yet.  
first talking about this secret pm from a "guy" and its a joke  
"guy" admits it  
make fun of guy  
guy is a girl and there is a confusion in the air  
Halo took a big fall for her  
she sorta turns her head  
he tries some more attempts to win her over get accepted  
she replies with a surprising posts  
Halo likes that he slips in  
Now its an idle conversation about servers and stuff

WTF lol, well anyway anyone know when the big 32 pitts server is coming up with fan maps?
