I remember you Anthrax, you're fucking famous too. You were bawling on Teamspeak because your Facebook was stolen and deleted.

The best part was that sliver of hope you were given("relax, your emails are fine"), but that was a lie.

You have 12 hours to return my password on facebook to me and my fucking e-mail account, internet crime helpline, and you will be spending time in jail. This is not a fucking joke. Goodbye on teamspeak.

If you delete this topic there will be lots more where this one came from until you return me to the main page.

BTW...way to post homophobic things on my facebook wall and make my status stuff about just get you more time behind bars. So keep going for it.

Whatever he did, I am more than willing to bet you deserved it. Maybe if you learned to grow up seriously need to reconsider your priorities Anthrax...(This is assuming this whole thing)

HaTe...this is what I did, posted his picture to someone in a PM. That's it. I don't even know
deserve this? When I'm taking him to court he'll have absolutely no case against me, so he
he's taken off to jail for something so stupid. Hope you enjoy cock in your butthole Xpert,

Even if what he did was uncalled for, like i said, that was not the only thing you have ever contentiously fake this attitude like you are the one being accused, no one is falling for it this is a little over the top...and the fact that you posted this publicly shows a little somet about it. You clearly only wanted to make a scene by posting this here...

Hate...your IQ is too low to understand what's going on, let the grown-ups talk. Legal act and also I've never done anything against the law, he's committing atleast 5 felonies by ctry, but I've actually got a case here.

Never said what you did was illegal, it's just extremely annoying, and you know it, and like haven't posted why you prefer to have this here, rather than in a pm....hm?

I like him to know that everyone knows what a piece of scum he is ... instead of keeping it all know the story behind it.

You are certainly upping your reputation in doing so, too....sigh. Maybe there is more behavior taken to pm. It's a fucking facebook Anthrax, it's not like he just murdered your family lawyer, and filing a formal complaint on the internet crime helpline," is a little rage worthy

It's not just the facebook, he deleted three of my e-mail accounts that I need for my college. I've had it since 8th grade and I don't want to lose that stuff either. I don't know what to...contact his ISP and have him shut down, contact this server and forum provider and tell them to delete his account. The community could be gone by wednesday. I have lots of people involved in the law in my family. I can't let him do this. I can't just return my password to facebook, and my e-mail, and we can pretend none of this ever happened. I can't let him do this. I can't talk to me again. Everything's fine.

But if he doesn't give it back by 10 PM CST tonight... yeah.

QUOTE

this whole community could be gone by wednesday.

Sorry, but i have never laughed so hard in my life. Thanks for that.

Somehow i highly doubt Xpert's intentions were to keep them permanently deleted in the first place. It is so much better than making a huge scene here. If he has "12 hours" to return the pass
