iRANian wrote on Fri, 07 December 2012 17:34yeah admins from other servers generally don't send out threads to kill people and flood servers

Wait what? If you're talking about shaitan and his post on MP years back, lol. He didn't know how to flood back than, nor does he now and i'm pretty sure the people there knew that too. About threats to kill people, i'm not sure what you're talking about. I don't know everyone's daily life and what they do lol
