Major-Payne wrote on Fri, 08 February 2013 06:03i played planetside 2 for a while, its a lot like ren, it was almost going to steal me away from ren

but developers suck and the people are fucking annoying

so I'm coming back to ren

yay

planetside 2 did manage to take me out of ren, or at least for some time until jelly start with the new maps thing.

btw i dont think the developers are so bad, they did fucked stuff with the last patch but they fixed it quite fast.
