iRANian wrote on Thu, 14 February 2013 06:53 what cheesesoda meant to say is that people suffering from chronic or potentially terminal disease, and of course old people and children, should stop acting like little bitches and pay for all their expenses on their own (get a jerrrrrr!!). Or of course they should just be born to a rich family.

Exactly. It's not my fault others weren't born into a multi-million dollar income family like I was. If they truly wanted to be respectable citizens, they would get their act together and get a real education, so their families can be provided for. [fuck you.]
