Aircraftkiller wrote on Thu, 14 March 2013 20:23It's cute that you're trying to pretend that you're capable of rustling some jimmies by accusing people of "dodging" while simultaneously dodging yourself. Through stupidity or willful ignorance, even!

I'm with Spooky on this, I'm starting to feel sorry for you, and that's really rare for me online. You need to go outside.

Keep not caring bro I can almost feel how little you care as you repeatedly slam F5 for my response just to show me how much less you care. Nice life.
