spending less time on a forum than you =/= "down for the count", sorry slick

btw if you aren't at least on nodding terms with the rules of something, in this case basic conversation, i'm not sure why you're saying who's won; given that almost everything you've said has been demonstrably false and half of those falsehoods have obviously been deliberate, though in your defence the other half have been down to the unfortunate fact you're rather dim
