No, implying that he cares too much. MPF banned him presumably unjustly... /care. This has happened since Ren existed, pretty much. I've only very rarely seen these topics make this long discussions. Particularly because 1) it doesn't belong on RenF and 2) it's MPF's right to prevent players from joining if they wish.

You could compare it to a party which is given in someone's home. You happened to be near some incident and the owner thinks you did it. He kicks you out. Sucks, but it is his right to kick you out of his home.
