HomeyYou would know i smell? Its the same concept, still not true.You have know nothing about my life, as i know nothing about yours.

One thing I do know, kiddie:

You are an ass, and asses have a tendency to make everything they touch, smell.

Kind of like what you do whenever you attempt to ridicule.

You aren't good at it, so you can stop trying. But look at it this way: It's earning you all kinds of neat friends like IceRacist, here.

Lucky you.
